

## **Automotive Systems & Components Assignments**

*Corporate VP of Engineering (Truck Caps & Covers)*  
*Vice President Operations (Molded Carpet)*  
*VP Engineering (T-Plastic Under-Hood Molded Components)*  
*Group Director of Engineering (Interior/Exterior Trim)*  
*Director of Operations*  
*Corporate Quality Director (Auto Components)*  
*Director of Strategic Planning (Interior Trim)*  
*Account Manager – Detroit (Plastic Molded)*  
*Account Manager (Under-Hood Molded Components)*  
*Acoustics Lab Manager*  
*Automotive Business Development Leader (Inj. Mld. Components)*  
*Controller - Division (Interior Trim)*  
*Corp. Materials Mgr. (Injection Molded)*  
*Corporate Director, Industrial Relations*  
*Corporate Mgr. Of Safety & Employee Relations (Interior Trim)*  
*Division QA Manager (OEM Components)*  
*General Manager (Rubber Molded)*  
*General Manager (Truck Caps & Covers)*  
*General Motors Program Manager (Interior/Exterior Trim)*  
*Manager of Planning & Scheduling (2) (Interior Trim)*  
*National Sales & Marketing Manager*  
*North American Purchasing Manager (Interior Trim)*  
*Plant Manager (Non-Union, Interior Trim/Truck & Bus)*  
*Plant Manager (Under-Hood Molded Components)*  
*Program Manager (Truck Caps & Covers)*  
*Program Managers (3) (Interior Trim/Truck & Acoustics)*  
*Quality Assurance Manager (QS9000, Plastic Molding)*  
*Quality Assurance Manager (Truck Caps & Covers)*  
*Quality Control Manager - Division*  
*Quality Control Manager (Wire Harness)*  
*Safety Manager*  
*Product Engineer (Switches/Devices)*  
*Product Supervisor (Interior Trim)*  
*Project Engineer (Auto Connectors)*  
*Project Engineer (Truck Caps & Covers)*

### **Interior / Exterior Trim & Components**

*Vice President Operations (Molded Carpet)*  
*VP of Operations (Multi-Plant, Toyota Production System)*  
*VP of Engineering*  
*Controller – Division (Interior Trim)*  
*Corporate Director, Industrial Relations*  
*Corporate Quality Director (Auto Components)*  
*Director of Continuous Improvement*  
*Director of Operations*  
*Director of Strategic Planning (Interior Trim)*  
*Group Director of Engineering*  
*Division Quality Assurance Manager (OEM Components)*  
*Account Manager*  
*Account Manager*  
*Acoustics Lab Manager*

*Corporate Materials Manager*  
*General Manager*  
*General Motors Program Manager*  
*Manager of Planning & Scheduling*  
*National Sales & Marketing Manager*  
*Plant Manager*  
*Plant Manager – Lean Systems*  
*Plant Manager (Non-union, Interior Trim / Truck & Bus)*  
*Product Supervisor (Interior Trim)*  
*Program Manager*  
*Quality Control Manager – Division*  
*Quality Control Manager (Wire Harness)*  
*Safety Manager*  
*Lean Systems Sensei*  
*Product Engineer (Switches / Devices)*  
*Project Engineer (Auto Connectors)*  
*Project Engineer (Hydraulic Components)*

## **Metals / Foundry & Machining**

*Director Human Resources*  
*Director of Manufacturing*  
*Automotive Business Development Leader*  
*Die Design (High-Speed Progressive Dies) – 2*  
*Die Maintenance / Shop Manager*  
*Die Maker / Maintenance*  
*Division Quality Engineer*  
*Die Shop Manager*  
*Corporate Materials Manager*  
*General Manager (Ferrous Iron Castings)*  
*Machine Shop Manager*  
*Maintenance Engineering Supervisor*  
*Manager of Engineering (Stampings)*  
*Manager, Technical Services*  
*Manufacturing Engineering Manager*  
*Manufacturing Manager (Gray / Ductile Non-Auto Castings)*  
*Molding Foreman*  
*Plant Engineer Manager*  
*Plant Manager (Electrical Products)*  
*Product Design Engineer (Stamping)*  
*Production Superintendent*  
*Tool Room Maintenance Supervisor*  
*Project Tooling Manager*  
*QA Manager*  
*Quality Assurance Manager (QS9000, Plastic Molding)*  
*Sales Engineer*  
*Tool Design Engineer (Automotive Stampings)*  
*Tool Design Engineer (Tubular Products)*

## **Plastics**

*Corporate Director of Sales & Marketing*  
*Corporate Director, Industrial Relations*  
*Vice President of Operations (Multi-Plant, Foam Non-Union Environment)*  
*Account Manager – Detroit (Plastic Molding)*  
*Automotive Business Development Leader (Injection Molded Components)*  
*Chief Chemist (FRP)*  
*Handspray Paint Process Supervisor (2)*  
*Corporate Materials Manager (Injection Molded)*  
*Division Industrial Engineering Manager (Injection/Compression)*  
*Division Quality Assurance Manager (Injection Molding)*  
*Quality Assurance Manager (QS9000, Plastic Molding)*  
*Manager, Manufacturing & Product Engineering (Injection/Compression)*  
*Plant Manager (Injection Molding/Chrome Plating)*  
*Plant Quality Control Manager*  
*Plant Quality Control Manager (S.Q.C./S.P.C.)*  
*Electrostatic Paint/Process Supervisor (2) (High Solid Enamels)*  
*Extrusion Department Manager (TP Wire Jacketing)*  
*Group Director of Engineering (Interior & Exterior Trim)*  
*Q.C. Layout Engineer (Free State Layouts - English & Metric)*  
*Senior Applications Development Engineer (TP Under the Hood Applications)*  
*Sr. Chemist (Polyesters/FRP)*  
*Sr. Thermoplastic Development Chemist (Conductive Materials)*

## **Metals & Assembly**

*Corp. Director of Quality*  
*Corporate Materials Manager*  
*Die Designer (2) (High-Speed Progressive Dies)*  
*Die Maintenance/Shop Manager (High-Speed Progressive Dies)*  
*Quality Control Manager (Wire Harnesses)*  
*Die Maker/Maintenance (4) (High-Speed Progressive Dies)*  
*Director of Manufacturing*  
*Division Quality Assurance Manager*  
*Division Quality Engineer (Connectors)*  
*Maintenance Engineering Supervisor (Electro-Mechanical)*  
*Manager of Engineering (Stampings)*  
*Manager Technical Services (Stamping)*  
*Manufacturing Engineering Manager (Stamping)*  
*Plant Manager (Electrical Products)*  
*Plant Manager (High-Speed Stamping/1,600 S.P.M.)*  
*Product Engineer (Switches/Devices)*  
*Production Superintendent (Tubular Products)*  
*Project Engineer (Auto Connectors)*  
*Quality Engineer (S.P.C.)*  
*Sales Engineer (Precision Investment Castings)*  
*Tool Design Engineer (Tubular Products)*  
*Manufacturing Engineer (Automated Insert Molding)*
