

Plastic Molding & Assembly

Engineering

Vice President of Engineering (Precision Injection Molding)
Six Sigma Black Belt (Precision Insert Molding)
Division I/E Manager (Injection/Compression Molding)
Engineering Manager (Consumer Packaging)
Group Director of Engineering (Multi-Plant, Injection Molding)
Manager of Continuous Improvement (Molded Products)
Manager of Manufacturing & Product Engineering (Injection)
Manufacturing Engineering Manager (Extruded Consumer Tubes)
Process & Product Engineering Manager (Blow Molding/Pipe)
Project/Tooling Manager (Injection Molding)
Research & Development Engineer (Consumer Packaging)
Sr. Applications Development Engineer (Automotive Under-Hood)
Sr. Assembly Engineer (Consumer Packaging)
Sr. Project Engineer – Electrical (Consumer Packaging)
Sr. Project Engineer (Custom Injection Molding)
Process Engineer (Consumer Packaging) – 4
Process Development Engineer (Precision Molding)
Market Leader – Telecomm & I.T. (Injection Molding)
Corporate Tooling Engineer

Sales & Administration

CFO (Consumer Products Injection Molding)
Corporate Director of Sales & Marketing (Auto. Inter. Trim)
Vice President Sales & Marketing (Injection Molding)
VP, Market Development (Plastic Molded Products)
Corporate Director of Industrial Relations (Multi-Plant)
West Coast Account Manager (Telecom Products)
Account Manager – Detroit (Inj. Molded Auto. Component)
Account Manager – CA (Injection Molded Components)
Distribution Manager (Consumer Products Injection Molding)
GM/BOC Key Account Manager (Acoustic & Foam Rubber)
Human Resources Manager (Consumer Packaging)
Market Development Manager (International–Urethane Foam)
Product Sales Manager (Consumer Products)
Program Manager (Ford/GM Truck & Bus/Interior Trim) – 3
Sales Representative (Industrial Rubber Sheet & Compounds)

R&D/Technical/QA/QC

Chief Chemist (FRP)
Conformance Manager (Consumer Packaging)
Division QA Manager (Automotive OEM Components)
Division Quality Assurance Manager (SQC & SPC Leadership)
Manager of Program & Tooling Development (Injection)
Plant Quality Control Manager
Plant Quality Control Manager (SQC & SPC)
QC Layout Engineer (Free State Layouts)
Quality Assurance Manager (Consumer Fitness Equipment)
Sr. Chemist (Polyesters/FRP)
Sr. Thermoplastic Development Chemist (Conductive Materials)
Technical Director (Silicone Rubber)

Manufacturing/Operations/General Management

Chief Operating Officer (Consumer Tubes)
General Manager (Consumer Products Injection Molding)
Lean Systems Sensei (Precision Inj. Molding/Insert Molding)
Plant Manager (Custom Injection Molding)
Plant Manager (Injection Molding/Chrome Plating)
Plant Manager (Injection/Insert Molding)
Plant Manager (Non-Union/Interior Trim Components)
Plant Mgr. – Lean Systems (Rubber Inj. Molding & Extrusion)
Shift Manager (Consumer Packaging) – 3
Sr. EVP – Operations (Injection/Compression Molding)
VP of Operations (Consumer Products Injection Molding)
VP of Operations (Multi-Plant/Non-Union)
VP of Operations (Plastic Closures)
