

Automation / Automation Equipment

Operations & Administration

VP of Quality & Continuous Improvement (Industrial Automation)
VP of Operations (Automated Packaging Machinery)
Business Unit Director (Conveyor: Food & Beverage)
Director of Finance (Packaging Division)
Director of Global Technical Services (Automated Packaging Machinery)
Director of Logistics
Director of Manufacturing
Director of Supplier & Manufacturing Quality
General Manager (Accumulators Systems Group)
Licensed Customs Broker
Manager Quality Assurance
Manager of Quality Assurance (Drives)

Engineering, Controls & Field Service

Senior Design Engineer (Automated Machinery)
Senior Mechanical Design Engineer (Automated Machinery)
Senior Project Engineer (Packaging Engineering Firm)
Senior Project Manager (Packaging Equipment)
Senior Project Manager (X-Ray & Inspection Systems)
Senior Project Reliability Engineer (Automation)
Customer Service Engineer (Kansas City)
Customer Service Representative
Design Engineer (Conveyors)
Electrical Controls Engineer (Control Logix, Servo, etc.)
Electrical Controls Engineer (X-Ray & Inspection Systems)
Electrical Design Engineer (Case Packers & Cartoners)
Electrical Engineer / Robotic Controls Engineer (Automation)
Electrical Engineering Manager (Case Packer, Robotic, Pick & Place)
Engineering Manager (Cartoner, Tray Packer, Filler, Conveyors)
Field Service Engineer – 2 (Filling Equipment – Volumetric, Aseptic, Rotary)
Field Service Engineer (Automated Machinery)
Field Service Supervisor (Box Making Machinery)
Field Service Tech (Packaging Machinery)
Lead Packaging Engineer (Packaging Engineering Firm)
Lead Process Engineer (Process / Packaging Engineering Firm)
Mechanical Design Engineer (Case Packers & Cartoners)
Mechanical Design Engineer (Conveyors)
Packaging Engineer (Food & Dairy)
Project Engineer (Mechanical Engineer – Integration)
Project Engineer (Packaging Equipment – Cartoners)
Project Manager (Cartoner Manufacturer)
Project Manager (Integration)
Project Packaging Engineer (Food Converting Manufacturer)
Systems Integration Engineer (Cartoner Manufacturer)

Sales & Marketing

Vice President of Sales & Marketing (Automated Machinery – Vertical Form, Fill, and Seal)

Director of Integrated Architecture Software Marketing

Corporate Product Manager (Automated Machinery – Robotics & Form, Fill, and Seal)

Manager of Vertical & Horizontal Cartoning Sales (MW & W United States, Canada, Asia & Latin America)

National Sales & Marketing Manager (Filler Manufacturer)

Sales Executive (Packaging Equipment)

Sales Manager – Container Systems Group

Southeast / Midwest / Northeast Regional Sales Managers (Box Making Machinery)

Southeast Regional Sales Manager & Central Regional Sales Manager (X-Ray and Inspection Systems)

Southeast Regional Sales Manager (Vertical Form, Fill, and Seal / Automatic Weighing Systems)

Southeast Sales Representative (Packaging Equipment)

Southwest Regional Account Executive (Machinery Manufacturer)

North Central Sales Representative (Palletizer, Cartoner, Case Packer Manufacturer)

Northeast Sales Representative & Western Sales Representative (Conveyor Manufacturer)

Northeast Sales Representative (Cartoner Manufacturer)
